

Albert L. Clute

January 22, 1964 - January 25, 2025

Albert L. Clute, 61, of Edgewater, Fl. passed away on Saturday, January 25, 2025, at Advent Health New Smyrna Beach, following a brief illness.

He was born in Gloversville on January 22, 1964, a son of Carlton and Marilyn Shue Clute and was educated locally. Albert lived in Gloversville, NY before moving to Florida in the late 90's.

At the time of his death, Albert was employed at Taylor Made Systems where he worked for over 35 years.

He loved boating, the beach, working on his acreage, listening to music at full volume, and going out with his dog, Baku. Albert was frequently called "the life of the party" as he always came in with a big smile and a hug, making people laugh and have a good time. He is known for his caring heart and would give the shirt off his back to help someone. Albert is a good friend to many and treated those he crossed paths with as family. His strength and resilience live on through his daughter, Erica, who was his whole world. We find peace in his passing knowing he is reunited with the love of his life, Linda.

Albert married Linda Shwajlyk Clute on May 14, 2008, after being together for over 20 years. She died on June 18, 2011. In addition to his wife and parents, he was predeceased by two brothers, Richard and Martin Clute, and two sisters, Barbara Quackenbush and Patricia (Ian) McGregor.

Survivors include a daughter, Erica J. Clute (Brandon) of Edgewater; a stepdaughter, Jessica (John) Kunasz of Amsterdam, NY; two grandkids, Ashley and Max of Amsterdam, NY; three sisters, Carol (Gary) Allen, Nancy

(Cosmo) Demagistris, and Susan Burlett (Phil); four brothers, Larry Stewart, Carlton (Louise) Clute, Richard (Cindy) Clute, and James (Annisia) Clute; his beloved rescue dog, Baku; and several nieces, nephews, and cousins.

Sincerest sympathy to the Clute Family from the Christodulu Family. We were former neighborhood friends enjoying Darling Field and bike riding and steel the flag ... as children.... Albert left us too soon... We are so saddened to loose a cherished childhood friend.

“ From Wisconsin to Dallas, to Long Island, to Ft Lauderdale, and so many other trips, Al was by my side teaching me the ropes of repairing glass systems on all sorts of boats and yachts. But more importantly to me, he taught me life lessons, how to let go and have fun, to not take life so seriously and just have a good life. I'll never forget our trip to Dallas Texas, my first trip down south, nervous and worried about the travel and unfamiliar area, but I knew I had my buddy waiting for me at the airport. We fixed the yacht, we had incredible Texas BBQ, he took me to Gas Monkey Garage Bar and Grill because I mentioned I love the show, we even spent the night out on the town in downtown Dallas where we went to an old hotel that had a "speakeasy" in the basement, then he disappeared on me for hours, got me so worried walking alone in downtown Dallas at 2am, only to find him in his hotel room eating grapes. Al taught me many things, but most of all, how to love. His stories of his beloved Linda and his daughter Erica were all he could ever talk about. Al made a positive impact on every life he touched. I will never forget all of our adventures and everything you taught me Al, I love you my brother, have a drink waiting for me up there buddy.
