March 7, 1992 - February 6, 2018

Anne K. Bacon, 25, of North Hollywood Ave., Gloversville, died Tuesday, February 6, 2018 in West Palm Beach, Florida.

A beloved daughter of John and Rebecca Theurer Bacon, she was born in Gloversville on March 7, 1992, and was a 2010 graduate of Gloversville High School. She was bright and talented in language arts, becoming bilingual in English and Spanish. She was also incredibly gifted at playing the guitar and banjo. Anne was a thoughtful and generous individual and was always thinking of those in need. She regularly made contributions to the homeless by personally delivering meals to them and always sought to make a difference within her own community. She was passionate about and looking forward to a future of working in the field of sustainable enterprise. Anne also had a big heart for animals and her baby niece, Lilly. She especially loved her two dogs, Scout and Scarlet.

She is survived by her parents, John and Rebecca Bacon of Gloversville; her twin brother, John T. Bacon of Gloversville; a sister, Lyndsey (William) Gates

of St. Albans, VT; her maternal grandparents, Lillian and Burlin Argotsinger of Amsterdam; a niece, Lillian Gates; cousins, Mackensie Greene, Christian Rohrs, Sarah Chapp, Jennifer Wojeski, Beth Pawloski, Rita Strait, Jayson Strait, Mark Bacon, Matthew Theurer, Meredith DiPietro, Shelly VanNostrand, Jon Theurer, Colin Warner; and many aunts and uncles whom she adored. She will be remembered for and even posthumously persist in bringing happiness to the world through her compliments, silliness, and her easy ability to connect with anyone she ever met.

“ *Anne was the first friend I made when I came to SUNY Plattsburgh. She welcomed me into her group of friends with open arms and we were close ever since. I can't express how generous, kind, and loving she was as a person. She always found a way to make everyone around her smile and laugh. Utterly heartbroken by this news, but I will cherish the memories we made over the years and her kindness and vibrant personality will never be forgotten.*

“ Anne and I met sophomore year of college and became very close instantly. We spent almost every day together. She could befriend anyone with her outgoing personality and her silliness lit up the room. We've remained close after leaving Plattsburgh, having spoke to her a week prior to her passing. We would frequently meet up in Lake George and have fun girls days full of reminiscing and laughs. She will be missed beyond words❤️

“ *Anne was a friend from afar. Someone who I never met but made me smile daily. We were part of the same music scene and online group where we discussed all things music, love, and life. She is adored there and our hearts are broken for her family's tremendous loss. And ours. She touched so many. May peace be with you.*

I only knew Anne from Phish group on Facebook. I always looked forward to her posts. So full of positivity, insight, and vulnerability. I've been torn up ever since the news of her passing. And there are, literally, hundreds of people out here crying our eyes out. I'm so sorry. Keep her spirit with you to bring light when you find yourself in darkness.

“ *I was a classmate of Anne's, she was a very remarkable person who always cared about the well being of others that she never known. Anne Bacon was an inspiration for us to aspire. Anne's locker in high school for years was next to mine, the moment that I met Anne I realized that I met the sweetest person out of my classmates in my graduating class. My thoughts and prayers at this time are with the family at their time of sorrow and grieving. Anne you will be deeply missed by the entire 2010 Gloversville High School graduating class.*

Anne, I'm still trying to tell myself this is true. I wish this was a situation of mistaken identity. I still think about when I first heard of this, and cannot believe your gone.. like this.. so young. I know you were a free spirit, and claiming your independence, not letting anything hold you back. You were so trusting, and I really wish we had spent more time together. Your birthday just a mere 5 days from mine. You used to say that is why we clicked so well. When others wanted to make you feel unaccepted at times you and I just made private jokes about it, and Shook our heads! Reading your obituary, and remembering that one day when T.J. Maxx needed a spanish translator or even a Spanish speaking employee, you quickyl chimed in, talking in fluent Spanish to the elderly gentleman. you were a valuable employee..its too bad noone else could see this. I was amazed.

We just had all this snow fall, and you would be right out in this precious white snow. I will always think of you the first snowfall, forever. ANYONE who was lucky enough to have met you, made friends with you, and listened or watched your musical videos and saw your talent will have been lucky to have your memory in thier hearts. I know I will. You reminded me of my middle child, she is free spirited, kind, loving always lending a hand to whoever. I told you that. My daughters were introduced to you through me. We loved your snaps, videos and posts. They welcomed you as part of our wolf pack... and not many have accomplished that. I've been graced by your presence in my lifetime, and will always celebrate your birthday with mine each year, until I will see you again. God bless you, I am sure he is, and God Bless your family, friends, whomever is saddened and touched by your passing. I know that you are with God right now, and I do not question God when something like this happens. I always equate that beautiful, young kind people, such as you, are taken from this world because God does not want to see you suffer anymore. No more pain, sadness for you. Fly high beautiful!):
