“ Anthony was a very kind and loving man! A wonderful brother in law. I remember Linda and I coming home from a cruise, he picked us up and took us to a welcome home, par non! The house was decorated with balloons, and streamers, he had cooked my favorite egg plant Parmesan and it was a ready made welcome home, all of that just for the 3 of us! Every time I called Linda from my home in California, we would do our regular smiling greetings, (yes, I could see his smile long distance!) and would say, would you like to talk to your sister. I will always love you Anthony. No worries, you can have all of the garlic macadamia nuts you want in heaven! ❤️
