“ My condolences to Tony's family. I worked with Tony for many years at BP. He was always a big help to the music department in setting up chairs or anything that might be needed for a concert. It is a shame that he did not have a chance to enjoy his retirement more. I will be playing Taps at his funeral today.

“ Our condolences and sympathies to all of Tony's family and friends. We could always depend on seeing Tony at the local county fairs in the summer time. Jon remembers Tony when he was a student at BP and Tony was the janitor. I have known Tony for over 25 years at BPHS. He was quick to welcome me to the team. We shared so many laughs and stories over the years. We will miss him and think about him often.

Sincerely, Wendy Carroll and Jon Balch

“ I love you Daddy... I light a green candle so you may share it with your fellow veterans..God has called you home,and I can only think it's because you finished your mission here on earth. You are probably needed in heaven. I know you have ignited the light in so many students and everyone you came in contact with. May you watch over my sons and I as we take our journey through life.

“ *Aunt Pam and Family, Josh, Payton and I are so very sorry for your loss. Tony was an AWESOME man. I remember my Freshman yr of HS, and I was walking down the hallway when 3 football player seniors were walking towards me. They all said “HEY TONY”... so I said “HEY” back... then I heard a voice behind me saying “HEY” back. Well it was Tony they were talking to, not me. He and I laugh at this story all the time. He is loved by so many people and He will truly be missed by everyone too!!! Rest In Peace Dinny*
