“ We all enjoyed Papa Art's visits. He always made us feel like we were part of his family. He was always interested in what was happening in our lives too. I will never forget when you all came over and I made baby back ribs- He so enjoyed them!

“ I am the luckiest woman to be able to call this man my Father in Law. Many people have struggles with their in-laws, but I was the most fortunate person to have Art and Mary as mine, as grandparents to my children and my friends.
