“ I am so saddened to hear of Barbara's passing.
She was such a lovely, caring, giving lady with a beautiful soul.
She loved her daughters more than words can say.
God Bless her family, and may God hold her in his arms.

“ I am heartbroken to hear of Barbara's passing We lost touch when I
moved to Ga. I've thought of her often over the past couple years.
She was always the sweetest person whenever we met it was like
no time had passed. My sympathies to those she has left behind.
Celebrate her memory because she was truly special.

“ Barb was my next-door neighbor when I was a young mother and
became a wonderful role model. Now that I have grandchildren,
there are still times when I cuddle them that I think of how Barb
loved her girls, and loved my little girl as well. I am grateful to have
had her in my life, if only for a couple of years.
