“ Carol "Sarge" as her co-workers called her was a very dedicated caregiver and her patients loved her. I worked with Carol over 20 years and she became a dear friend. Some of my fondest memories were our many conversations about our families. Carol held New York and her family up on a pedestal and her vacations revolved around NY. She also loved her home on Buttermilk Hill that she and Jerry took much pride in and she loved relaxing on the deck. I was so fortunate to see Carol the Friday AM before she tragically passed. She looked great ~ we had a great visit ~ and she was her good old self. I will treasure that visit. My prayers to Jerry and her family ~ Kathy Horner

“ *Carol and I were co workers for at least 16 yrs..we both worked in physical therapy together..we had a good crew in our dept and I loved everyone of them, including Carol...my husband and her were both from NY..we use to laugh about that..i remember calling her Sarg..she would carry herself just like she was still in the service..she loved her patients and did her job very well..I miss her terribly, even tho I haven't seen her in a long time, she was still part of our gang...my deepest sympathy and love to all her family...from Dixie Hallenbeck*
