“ So sad to hear that Carolyn has passed. She and her Mom took ceramics back in the 70's and 80's at my mother's house and we shared a lot of laughs. She had been living in Johnstown and I would see her and her dog out walking and we would stop and chat for a time. Then she wasn't out anymore and I assumed she had purchased the house she was talking about and moved. I wish her family peace and I send my sincere sympathies.
