“ Darlene was such a special friend and classmate at PCS! She was the sparkle that helped give the "The Group" a special connection of high school friendship and girl comradery. She was a great friend to all of us in the "Class of '75"! We admired her for her bubbly personality, honesty, beauty and courage...who else would jump out of an airplane and skydive with their Dad!!

“ Darlene was the kindest, sweetest friend any one could ever have had! Wonderful daughter and loving wife! We were friends in Kindergarten and spent many overnights eating her Mom's dill pickles...we had our own girls club and shared all our secrets! Her life was complete with the "love of her life", Michael...even though we didn't see each other often later on...when we did it was always the BEST!
All I guess...is God needed a special angel...Love, prayers and sympathy to all!

Our hearts are broken and we are so deeply saddened. Darlene was always a shining light and always had a smile for everyone. We have many fond memories of going through school together and later on, dinners out with her & Michael. She will be forever remembered with that beautiful smile and quick wit. Our love & prayers for Michael and Mrs. G and family.
