In addition to his parents, he was predeceased by his former wife, Linda.

“ Dave was a wonderful friend. I met him at Franklin Pierce College. We were fraternity brothers and roommates. Spent lots of time in Vermont on ski weekends and in the summers sailing in Long Island Sound and beyond. My thoughts and prayers are with the family and all who loved him.

I fondly remember David from our early school days. He was always so full of life and hope for the future. I do hope all of his dreams, and more, came true. May God watch over your family and bring you peace.
