“ Peter, I'm so sorry to hear of Dawn's passing. It's been many years but I have thought of her often over the years and enjoyed running into her from time to time before I moved away. We had such good times when we worked together at Coleco and you folks were living on Academy St. She was a great friend. My heart and prayers are with you and your family during this sad time.

“ *My sweet friend and sister of 52 years, my heart is just broken. I have a lifetime of memories with my sweet Dawn, but I sure am going to miss her forever.... it comforts me to I know that I will get to see her again someday. Peter, Cory and Miki, I am sending my love to all of you, and I'm only a phone call away if you should need me. Praying that God will wrap His arms around each of you and comfort you as only He is able. Lighting a yellow candle since yellow is the color of friendship, and you my friend were the best one I have ever had , thank you for volunteering to share your coat hook with me first day of Kindergarten, the rest just became history after that <3*

I am so sorry for the loss of Dawn. She was a wonderful caring woman. I have many fond memories of her, as she was like a second mother to me during my teens. My thoughts are with you.
