Aunt Babe, You've opened your heart and your home with open arms so often. My fondest memories are when we were kids and the good times we all had spending the weekends at your house with the whole family playing laughing and just enjoying one another company. My only wish is that our god in heaven opens his heart and his home with open arms as you've have so many times for all of us in this family .I love you and I'm going to truly miss you

I have so many wonderful childhood memories thanks to you. You always made me feel special and loved! I had so many fun times at your house. Whether playing cards, snowmobiling or going to the lake for a swim it was always a fun time. Sitting around your table enjoying a meal with family was the best!! We will miss your sweet smile and gentle laugh. I feel lucky to have had you as my Aunt. RIP...We love you Aunt Babe. Love

“ *Dora ,
My thoughts and prayers are with you during this very difficult time. You were not only a wonderful daughter to Aunt Babe you were her best friend, you would lay your life down for her . Your Unselfish acts have not gone unnoticed . ❤️ It's obvious you would do anything for her and even my Mother for that matter , you're kindness is so genuine and sweet. I'm very grateful to call you cousin. I love you Dora.*

Aunt Babe and Aunt Rose were my favorite Aunts they both always put a smile on my face , and they often made me laugh . when Aunt Babe stayed with us in Virginia she and I would sit in the sunroom and have long conversations these were always very warm memories of mine and now I will hold them especially close to my heart . I will miss her dearly.

Losing someone is a very painful experience, especially someone as loved as Aunt Babe . May God favor her spirit. Aunt Babe may you rest easy on the wings of eternity. 🙏❤️

Forever loved

Winnie

“ My Condolence to Dora and Darlene. I know Aunt Babe wasn't my real Aunt but I called her that along time. I loved her very much and I miss her. I know Dora she loved living with you anyone could see that. You took very good care of her. I got lots of good pictures and memories of the cookouts. Sherry gave Aunt Babe her own special lounge chair so she could take her naps Lol. To me she was my Aunt and I miss her a lot. She will always be in my heart. Aunt Babe enjoyed life and always had a smile on her face. She had a heart of gold. Now she is resting in peace. She earned her wings. Love You Aunt Babe always.
