“ Moose was one of my favorite people and came in regularly in the early 2000's at Stewart's. Moose will sorely be missed. He always had a nice word and a smile.

“ I grew up with moose in my life as he was related to my aunt and uncle. He was always at the functions when I was a child, he was so much fun to talk to. And when I got older I always got a hug and a kiss and that was passed on to my daughter. She could
Count on a hug and kiss from moose everyone she saw him. He will be missed 🥺
