“ I have lots of great memories of spending many weekends visiting the family with my dad & 2 sisters. Us 8 kids were thick as thieves and had many wild times together. The best time was when I spent 3 weeks the summer I was 15 or 16. Doreen, Bill and I spent our days doing all kinds of crazy things. I will always look back at that time and smile remembering how much fun it was to have that time with her. She always made me laugh. Sending much love to Doreen's children & grandchildren.
