“ I am so sorry that this family is going through such a horrible loss. Emily was a very kind, open minded and strong young lady! It is awful the hardships she had suffered her whole life due to her illness. Sending love and condolences to Jen, Hannah, Janet, Christopher, the rest of the family, and those who's life she blessed

“ Emily was my cousin, I remember being there the day she was born. As a teenager, I spent a lot of time with Emily and Hannah. When Emily was a baby she was the sweetest and had beautiful golden curls. One of her favorite things to do was play outside in the water.

Our grandmother, Sharon Berndt, loved Emily so much, I find some comfort in knowing that gram is taking care of her now. Im happy that Emily experienced college and went on to do something she truly loved—something that was close to Grandma Sharon's heart as well.

My heart goes out to everyone who loved Emily. This earth just lost The Kindest Soul.

“ We are so saddened by her passing. I met Emily when she was hired at our Head Start program. She was kind, compassionate and the children adored her. She always had a smile, positive attitude and did everything she could to make a difference in the lives of the children we serve. RIP Miss K. Your Fulmont family will miss you forever....
