“ *'Sonny' is my Big brother, 17 years my senior, and boy will I miss him..oh I do miss him, but , God has granted his dearfest wish, to go to sleep and rejoin his beloved Mary. He left, we are sad but, I know he is happy now. He and Mary guided me in many situations, after all, they were like a Mom and Dad to me, cause that was what they did. My silly brother was 'kinda' quiet, but his heart was REALLY big. I am so proud of his accomplishments, his Service to our Country, as a WW11 vet in the US Navy. and many ways, too many to count. Bye Sonny, enjoy your Eternal Life.....*

“ *Frank was my uncle, I remember all the good times I had with him and my Aunt Mary. I live in Ohio, but I spent many summers in N.Y. where my Grandparents lived and all my other Aunts & Uncles. I remember when he used to make Maple Syrup when he lived in the country, I always looked forward to taking some of that Maple Syrup home. My condolences are to my Cousins, Kim & Terry and other family members.*

“ Things I will remember about my dad:
Getting my hook out of the trees and bushes when we went fishing,
All blue lights on our Christmas tree,
The smirk on his face when he would make a joke,
His ingenuity
He was right most of the time,
His generosity
"you want a lick-in' ?"
Sitting by my bed reassuring me of my salvation.
Loving my mom.
