“ Dear Carla and the Priamo Family;
Our sincerest sympathy and condolences to your family upon hearing of the passing of Frank.
We remember when Frank was an EMT and we were in a minor accident next to Segals on route 30. Frank of course knew us and took charge to make sure we were ok.
We enjoyed many visits at the Priamo home on Daniel Street for many years. So many wonderful memories of their entire family. I am godfather to Paul. Marie traveled to Florida with us on vacation one year. We have lived in Florida for many years now but when back home we always stopped at the house for a visit. Paul and Rosa's home was always open. No need to call, just knock on the door They were always glad to have company. Brook bread there many times with them. You better eat something or else. Rosa was an excellent cook Mama Mia. Np problem there. Everything was always so good. Paul had a beautiful garden. The boys always pitched in to help with whatever needed to be done at home and the girls likewise.
It is difficult to see our youth pass before us. We will always Love the Priamo family and they who have passed will forever be in our prayers.
God's Eternal Blessings for Frank, Our thoughts and prayers are with you at this most difficult time but the memories we shared will be forever in our hearts. Love ,
Hank and Carolyn and family
