

Hannah Rose Priamo

December 4, 1997 - December 17, 2019

Hannah Rose Priamo, 22, of the Town of Perth, entered into her eternal life on Tuesday, December 17, 2019 surrounded by her loving family.

She was born in Amsterdam, NY on December 4, 1997 a daughter of Paul and Stacy Gorman Priamo, and was a 2016 graduate of Broadalbin-Perth High School. In October 2019, Hannah received an award of recognition from Russell Sage College for her contributions to the nursing program.

It is safe to say that Hannah was everyone's favorite; her smile and wit were contagious, and her kindness, courage, and love were palpable by all that surrounded her. She thoroughly enjoyed riding her bike, beach vacations, reading, watching Hallmark Christmas movies, and spending time with her family and friends. There was never a dull moment with Hannah, and this gave us all millions of memories.

Hannah was predeceased by her beautiful and caring mother, Stacy; her paternal grandfather, Paul Priamo; her maternal grandparents, Donald and Rita Gorman; and several aunts, uncles, and cousins.

Survivors include her loving father, Paul; stepmother, Johanne; three sisters, Emily, Grace, and Natalie; a brother, Daniel; her paternal grandmother, Rosa Priamo; and several aunts, uncles, cousins, and friends.

Calling hours will be held on Sunday December 22, 2019 from 3 – 7 pm at St. Joseph's Church 7 North Street, Broadalbin. A Mass of Christian Burial will be celebrated on Monday at 11am at the church with Rev. Thomas Morrette, officiating. Burial will follow at St. Mary's Cemetery, Amsterdam. In lieu of

flowers, memorial contributions may be made to the Melodies Center at Albany Medical Center or to Temple Beth El (Memo – Emmet’s Playground), both in care of the funeral home. Arrangements are by the Robert M. Halgas Funeral Home, Inc. 111 County Highway 106, Johnstown, NY 12095.

Hannah’s family would like to extend their deepest gratitude to the staff at Albany Medical Center and Boston Children’s Hospital for the above and beyond care they provided for Hannah, especially to Dr. Jennifer Pearce and Nurse Susan Clarke, both of whom she loved deeply.

“ *My First Christmas in Heaven*

*I see the countless Christmas trees around the world below,
With tiny lights, like heaven's stars, reflecting on the snow.
The sight is so spectacular, please wipe away your tears,
For I am spending Christmas with Jesus Christ this year.*

*I hear the many Christmas songs that people hold so dear, but
The sounds on earth can't compare with the Christmas choir up
here.*

*I have no words to tell you, the joy their voices bring.
For it's beyond description, to hear the angels sing.*

*I know how much you miss me, the deep pain in your hearts,
But I'm not so far away, we really aren't apart.
Be happy for me, loved ones. You know I hold you dear.
Be glad I'm spending Christmas with Jesus Christ this year.*

*A special gift, I send you, from my heavenly home above.
I send you each a memory of my undying love.
After all, love is a gift more precious than pure gold.
Love was so important in the stories Jesus told.*

*Please love one another as our Father said to do,
And He will pour His love and blessings upon each one of you.*

*So have a Merry Christmas and wipe away that tear,
Remember, I'm spending Christmas with Jesus Christ this year!*

“*Paulie and family, Hank and I are so heart broken for you all. Wish we could be there with all of you to give you lots of hugs and support as you go through this difficult time. Please know that we are with you in spirit and send our love and hugs to everyone. Hannah was truly a remarkable girl. She stayed so strong throughout her trials and was an inspiration to all who knew her. We know that all of the good memories you made together will be of some comfort to you now and know that she is finally free from pain. May she rest in peace in her mother's arms and may God hold her in the palm of His hand. We send our love and sympathies to you all and we will keep you in our prayers. Love Carolyn and Hank*

“ *The many family get togethers we shared on Florida Ave are etched in my memory. A short walk up the street and my kids always had someone to play with. If Stacy needed a babysitter, I was only a phone call away! Hannah and Julia were in the same nursing program together having a passion for the medical field! Hannah always had a smile for you! We send loving prayers for healing, comfort and peace! We love you all. God bless!*

“ Sometimes you meet someone who feels like an old friend the minute you meet her.

That was Hannah. We became friends with Hannah and her dad, Paul, while we were at Boston Children's Hospital. Hannah would sit at the table outside her room and play card games with anyone who cared to stop by. She was the mayor of 6 West, and our son Emmet loved her immediately. She treated him like a friend, even though she was more than ten years older than he.

Once she got home, she emailed me often to find out how Emmet was doing. She sent him little gifts that made him smile: a Simpsons T-shirt that became a favorite and a game called Mancala which we played every day.

After Emmet died, my husband and I visited last October while we traveled in upstate New York. He and his wife, Joanne, took us out for a drink. We didn't get to see Hannah because she was at the wedding of a friend, but she had made us a huge gift basket of snacks and treats for our road trip. That's how she was: thoughtful and generous, even while she faced her own tremendous battles.

We know that Hannah and Emmet are playing a rocking game of Mancala, free from sickness and hospitals. We will never forget sweet Hannah.
