“ Our deepest sympathy and many prayers to Jack's family and friends. I've spoken of Jack many times throughout the years, of our days playing GHS Football and when he used to take care of us younger guys that used to hang out together back in '78-'82! He was a great friend then and I'm sure an even greater friend in Adulthood . . . I'm thankful I shared a few years with him before I left the area, and that I have those memories! And for those who have remained friends all these years, you are truly blessed to have been his friend for so long and that you've shared so many great times together! Hold on to those memories and cherish them forever! Rest in Peace my Friend!

“ My deepest condolences to you and the rest of your family. Jack was an amazing friend and coworker here at Globalfoundries. He always helped me when I needed it, even if it was just some one to talk to. Always there for advice when it came to my crazy 2 year old little boy that runs the world. Telling me stories of his children to let me know that I definitely have more to come with mine. I was always remember the kind words he would have for me when I was feeling down. We will all truly miss him here at Global.
