“ I just heard the sad news and I wanted to extend my condolences. Jackie was a very dear friend of mine when we were very young, from kindergarten all through high school. I always remember her laughing and her infectious smile that would fill the room and I was always happy to be with her.

Jackie and I were in a mother's day play together sometime around first grade, she was the mother and I was her son and I got to give her a bear hug and kiss, so we were each other's first kiss.

Jackie, thank you for that and for your years of friendship, we may have gotten out of touch, but you were always in my thoughts and prayers.

Rest peacefully, you were well loved by many. My very best to your family.

“ Dear Paul, David and family,
It is difficult to say goodbye to Jackie, but I believe she was tired of this constant struggle to stay healthy. She is with dad and mom now.
Paul, you have been a steady, quiet influence for Jackie. Thank you. My thoughts and prayers are with you.
Dave and Kelly, thank you for your support and love . To lose all your siblings is not easy.
