

James D. McClarren

April 4, 1970 - June 4, 2022

James "Jim" D. McClarren moved on suddenly to a better place on June 4, 2022.

Born as a surprise on April 4, 1970, four minutes after his twin brother, he was the fifth child of Linda and George McClarren, Sr. He was 52 when he made it to his final destination.

Jim held many jobs throughout his lifetime with the most recent being the Lead Tech at Amerit Fleet Solutions.

He lived his life in a simple way working his tail off every day. He was truly one of the hardest workers, always giving nothing less than 100%. Jim enjoyed cold beer, camping and fishing at Crown Point, bonfires, and an odd love of hot dogs.

He was a generous man that would give his last dollar to help someone instead of worrying about himself. Hence the reason for living on way too many hot dogs.

In his free time, Jim could be found tinkering with a car, adding decals and emblems for show, or MacGyvering any project he was working on. Somehow, he always made things work. He had a slight obsession with military t-shirts. Jim liked four letter words almost as much as he loved his beautiful daughter Nateesha. She was the center of his world and he made sure everyone knew how proud he was of her. Jim bragged that she was the best thing to ever happen to him. He was an amazing father to her and may have owned every World's Best Dad shirt that he wore with pride. Jim also held a special place in

his heart for his daughter's sister, Taniqua. Though he wasn't her official Dad, he treated her as if she was his own.

Jimmy is survived by his daughter, Nateesha McClarren (Trevor Wood), seven siblings, with his favorite being his youngest sister, several aunts, uncles and cousins, as well as a ton of great friends.

He was predeceased by his parents who must have needed him with them, more than we did here.

Jim would most likely have said, please don't cry because I'm gone; instead, be happy you had the chance to know me. Or maybe you can cry a little bit.

After all, I'm dead.

Per the family's wishes, there will be no services.

“ always had a smile on his face and so proud of his daughter. Loved his family and loved visiting at the lake. A good person, loved by all who knew him. Never had a bad word to say about anybody. You will be missed by many James. Gone too soon but, never forgotten. XO's

“ My fondest memory of Jim Bob was thru my husband who worked with him at Amsterdam Trailer Repair.. I didn't know to many people and we were at the Boss's birthday party and Jim Bob came over and carried on a conversation with me just like we knew each other forever ... His smile was contagious and will forever be remembered. My heart goes out to his daughter and family a life taken way too soon..

First time I met Jim he came out tiny home at Christmas time with my sister and sean. I didn't have a gift since it was last minute so handed him a diaper. It was all laughter when he put it on. He raised his beautiful daughter and he was very proud of her. Rest In Peace.

“ Wow what can i say about James. First of all I can't believe he's gone at such a young age. What a great man he was always friendly and happy. His smile would light a room. We had many good times at camp. In fact we had some of the best times of our lives with Jim and his whole family. He will surely be missed by all who knew him. Our deepest condolences to all his family and you will always be in our prayers. God bless
