“ I was so sorry to hear about Jan's passing. I have never met her but we had been in contact for decades. We met through a shared interest in Amateur Radio. She enjoyed the coincidence of her living In Galway, New York State and me living in Galway Ireland. I will miss her repartee and chat. RIP Jan.

I offer my deepest condolences to her family and friends and especially to Jenean.

I lost touch after a while and when my youngest son passed away Jane reached out to me. She was always there with comforting words and encouragement any time our family was in need. “ So sad to hear of Janet's passing...I loved hearing the stories of her childhood in the apartment on 18th Street in NYC where my late mother, Georgette, lived with her parents Helen and John. She remembered so many things! when my parents were married they also lived in that building, and Janet was like a little sister to my Mom. She was with her when my brother got his first pair of shoes! I will miss hearing her stories about those days, and hope she rests in sweet peace, and is with them again. My condolences to all of you, with love, Elizabeth

Thank you Elizabeth for sharing. I'm trying to remember because as kids we would run/race up the black and white stairs, stopping at a few floors to say hello to neighbors. Mom would say we're stopping to see Carl on the 4th floor and I remember stopping to see an older couple in an apartment in the back of the building. Maybe it was your mom and grandparents? My grandmother lived on the fifth floor. I always loved going to the city. It was a great adventure! Mom was always excited to see the old neighborhood and friends. Sending love your way, and don't hesitate to reach out if you want to reminisce about NYC. I loved it there! Thank you ❤️

“ I met Janet over 50 years ago, in Michigan. My sister Carol and her became fast friends. I caught back up with Janet a few years ago, I let her know Carol had passed in 2002. Janet was a smart, funny, beautiful woman who cared about her friends, and loved her family, who were her world. I remember the boys running around and laughing. I'm so sorry, my prayers and condolences to her family. I know she meant alot to many people and will be missed by many. Janet will never know how many lives she touched. I know she has a huge smile being with Richie and seeing Carol, the story's they will share. May you RIP old friend. 😞

I am so sorry for the great loss of Janet. I lived next door to her and would joke with her about building a walk bridge between properties. I would go over there and play with Hogan and feed him treats. RIP Jan. My prayers are with her family at this time of loss.
