“ Joan was one of the kindest and sweetest people I have ever had the pleasure to know. She always took the time to ask how I was, not as a formality but because she truly cared. Her beautiful smile was so contagious and she always made my day when I saw her. She always spoke proudly of her children and absolutely adored her grandchildren. I always loved the way Chuck and Joan talked to each other and especially the way they looked at each other. It was obvious how much they loved and respected each other after all of those years together. My heart is heavy for all of her family and friends and for all of the people whose lives she touched. The world is a little less bright without her in it.

“ Sincere heartfelt condolences to the Alley family.

Friends for many years began when we drove bus together at BP...lots of fun and laughs back in the 80's. Always a smile and a good word...whenever we saw you at the boat club or at the UPS store. You will surely be missed but fondly remembered. Until we meet again, God speed....
