“ Jack always had that half smile/half sly grin that always made you feel comfortable around him. Life itself often interferes with the time you want to spend with someone but at some point later in life, Jack added a cigar to his everyday wardrobe. It only added to his good looks !

One of the last times I remember being with Jack was at a Shaker Ridge celebrity golf event where Arnold Palmer was main guest. It was a hot day but somehow Jack, Skip and I found a tent and a beer great conversations with great people.

We miss you already my friend ... save a spot for us ...
