“ My deepest condolences to John's family and friends.... It's hard to describe what it meant to me throughout my life to be able to call John my friend. We won the Charles Dunham award for basketball our senior year, and competed together on many city and old pro teams for many years.... My memories of the man, the friend, and gifted athlete I was honored to have known will never fade. If I knew, I hope you know I would have been there to pay my forever respects.... Love you my brother. Rest in peace..... See you soon
