“ When we arrived in our lake home John was always ready for a nice chat as I walked our pup. Loved seeing him riding any of his work vehicles with his pup riding with him 😍 RIP 🙏 Rick & Sue

“ Cheryl and J.R.
I am so sorry for your loss. He was such a devoted husband and father. I have several memories of our times together, but particularly the one when we went to Cape Cod. We had such a wonderful time together. Wish there could have been more. My thoughts and prayers are with you both.
Love you all.

“ Cheryl & JR, Sorry to hear of John's passing. He sure is one in a million. I really enjoyed working with him At Bombard's. The memories that we had are priceless. Have to say at the top of the list was when he didnt realize my maiden name and I actually left him speechless. The other one was I helped him rig up and apparatice for the schaticoke bridge and we had a kid throw a m80 on our schaffolding. We were both kicking it off thank goodness it didn't go off. We climbed up out off there and took a long break that day. Then he as he always did in his joking matter was like you realize what could have happened. Keep the memories close at heart. I sure do miss him and he's at the top of supervisors I had.
