“ *My “big brother” how you will be greatly missed. Jon had the biggest, purest hearts I have even seen in a person. He taught me so much about friendship, and life it’s self. Whenever I was with Jon he was always making me laugh, could make a bad day into the best day. Thank you Jon for allowing me to be apart of your life. I will never forget you, and will always miss you dearly. I love you my friend❤️ Intill we meet again.*

“ *My heart is shattered at the loss of my young friend. We had a connection, Jon and I...a mutual admiration. The world is surely a lesser place without him. But heaven sings. Keeping you all close in prayer.*
