“ When you all lived across the street from me, I remember Josh was always willing to help me. He even gave me some tips on buying a car. It was kind of him. He was a caring family man and I am sending my condolences to you Katie, John Jr, and Peyton.

“ I'm so sorry for the loss of a wonderful, dedicated husband and a fabulous father! Joshua did all he could for his family, even when he wasn't well. I hope he understood during his Celebration of Life that everyone who attended cared deeply about him. I'm so happy you had a beautiful wedding and you have many pictures and videos to remind you and the kids of the love you shared. Please take care of yourself and allow others to lighten your burden. God Bless Joshua.
