“ Remembering the days of working with Kenny at City Hall ... "one of the nicest guys you would ever meet" he was always up for a long conversation about investing , sailing, football etc. I bought a camp at Galway in 1990 and Kenny had a great sailboat for a beginner a Tanzer 16 that he had refurbished with great care and Lee Sail that I still use to day on a newer Tanzer. I miss those sailing race days at Galway when Kenny on his catamaran would come storming from the back to finish high up in the standings. He was a fun guy and always loved talking sailing with him.

“ *This is very sad news. I was proud to have been a football teammate of Kenny's at Linton and to have had the opportunity to play against him in college. He sustained & shared his great memory of the games of our youth...including our days growing up in the Howe School neighborhood! May God's strength and fond memories be with his family, friends, and loved ones during this time of loss and grief.*
