“ For Lee..I wrote this many years ago..laying on the beach..at our beautiful Sacandaga Lake..

A Perfect Day..

*Theres nothing I would like much more
Than hear the waves upon the shore
Of this great lake that I have known
Since I have lived in my childhood home..*

*Monarchs light so gently down
Upon the beach, the hallowed ground
Where nature's wonder, Gods great gift
Soothes the soul, the heart it lifts..*

*Making music where there seems none
The rising and the setting sun
Continue on through time and space
Worries left without a trace..*

*Treasures are unearthed with time
The changing shore, the stones that shine
To capture children's dreams of treasure
The magic here, no one could measure..*

*Seen only by the naked eye
The iridescence of the sky
Even on a cloudy day
The hills exude their majesty..*

*And create a place that's home to me
The stars, the trees, the life I see
The breeze that caresses ,oh so sweet
The waters lap against my feet..*

*Another perfect day I will
Remember this one,when I'm still
And old and seated in my chair
Remembering my golden hair..*

*That matched the burnished late day sun
Children playing, having fun
Upon the beach where I once lay
Against the sand on a perfect day..*

Terrie Zierak..

My deepest condolences to the entire Zierak family..and to our children..Christopher..Deidre..and Cameron..and our grandchildren..Kylee..Mirabella. and Ronan..❤️

“ *Sylvia and Brent,*

I was completely shocked to find out about Lee. He was the greatest guy....always with that million dollar smile....always teased me in school, on the bus, when a bunch of us got together....I liked him so much. He always stopped and talked when he worked on the town truck. I will never forget him and his humor....the world is more sorrowful losing a wonderful person as Lee. I pray the Lord will give you peace and comfort during this most difficult time. My condolences to his family as well. So very very sad.

*All my love,

“ Went to school together and were good friends. I always invited him to my birthday partys and always fun to be with. I was living in FLA and come home to take care of some business, saw Lee in the laundry mat one day and caught up on the past, I'm glad I did have this time to catch up on all the things that was happening in our lives. He will be missed and will remember the times we had together in school and when I saw him around town.

“ To all of Lee's family,
I am so saddened to hear of your loss. Though I hadn't seen him in many years, I have many good memories of time spent with Lee back in our teenage years. He was always good to me, and was fun to be around. I can still remember his laugh. Thank you for the memories, old friend. You are all in my thoughts.
