“ *Lez and Gail were always very kind people. They treated my girls like their own grandchildren and were always welcoming to me. We are very sad that both of them are gone but are certain they both are now pain free and together again in heaven. ❤️*

“ I worked with Lezlie many years ago at Extended Care at Nathan Littauer. She was excellent at caring for the elderly & took such great care of them. She was a hard worker & was always very pleasant to be around. I recently met up with her again & it was so welcoming. I'm so sorry to hear of her passing. I wish I could have done more for her. My sincere condolences to the family. God has gained an angel. I will miss her greatly.

Leslie was a very special person to many. She took care of me for many years when I was younger. She was kind but never failed to give me hell when I stepped out of line. The last time I saw her she still called me Dillinger. LOL. My prayers to family and those who were close to Lezlie.
