“ Jerry Rosie and family- I am so sorry to read of Linda's passing. She is at peace now. I will continue to pray for your comfort during this hard time. She was a tough lady who always found some happiness in the little things. She appreciated all your advocacy for her. I will never forget her and her spirit.

“ Rose and Jerry , Instead of saying I'm sorry , I am going to say how lucky I was to have Linda as a playmate day after day when we we younger. Between us we created so many fun times , Linda had a wonderful imagination and I was happy to join with her in them . The two of you took such good care of her , she was loved .

“ I met Linda in 1963 when we were both patients at Sunnyview. We were both amazed to be reacquainted 45 years later when I was one of her Heath care team. I always looked forward to my visits with her and her wonderful attitude despite all her struggles. Wishing her the peace she now has and sending sincere sympathy to her family. Lynne Barnett
