“ Remembering the wonderful Christmas holidays we spent together and how happy we were. I miss the holiday decorations you would craft up and the holiday meals you fixed. You were so thoughtful and the way you would look at me, you never had to say the words " I love you" the way you always would look at me said it all.. I miss you so much and no one could understand the relationship and the love we shared. Be at peace my love. Until I see you again.
Your husband who misses you so much.
