“ I am just finding out about Loretta's passing on June 24th. Loretta and Jimmy were good friends with my parents, Donald and Mildred Kornfeld. After my father's passing, Loretta kept an eye on my mother during her final three years and gave me peace of mind since I lived three hours away. My father and Jimmy passed around the same time, so "the girls" became even better friends. Loretta always made sure I could take home some of her wonderful venison chili.

*I am so sad to hear of her passing - but I know all about her big heart and how she was always there for others.*

*You will be missed by so many, Loretta. Thank you for taking such good care of my mother from 1998-2001.*
