“ *Lori was one of my first best friends. I have been blessed with many. She was also one of my first “partners in crime” and we had some adventures. These are adventures that were exhilarating and maybe a wee bit risky for us. I especially remember going to SPAC and out in Saratoga afterwards. Going out on the lake and writing letters in college. Her illness robbed her of her health, but not her faith nor her spirit. I pray that she is resting comfortably in the arms of the Lord with the angels and saints. My love and prayers to Linda, Rob and everyone in the family.*

“ To the family of Lori - we are just heartbroken. We met Lori through a real estate transaction in 2014 and have used her ever since. Her spunky personality and extreme knowledge about the real estate world will be greatly missed. Not to mention her heart! She had a love and passion for all things life! I have learned a big lesson here, and I am regretful I didn't get to know her better and I didn't reach out to her as much as I thought about her. May God wrap his loving arms around you all and help you get through this difficult time. We will cherish our memories of her. Much love to all, The Reed family, Tampa Florida
