“ Marian and I worked together for several years and became great friends. She was so kind and caring toward the patients she encountered. We have been friends for over 50 years and she loved me like a daughter. She took such joy in keeping up with my family over the years, always asking how they were doing. We shared stories of our kids and grand kids. My heart and love go out to her family especially Daryl and Linda. She will always be remembered as a wonderful mother, grandmother and friend. I will miss her dearly.

“ When I was a teenager I remember going on one of mom's, Alice Hopes, and Aunt Marian's fun girls outing. We had a blast going shopping at little boutique stores and then to their favorite fabric store, finished off with a delicious lunch. They were so much fun. I was blessed to be included. - Lorraine Bogdan
