

## Mark David Albanese

May 14, 1946 - May 27, 2021

Mark David Albanese Senior, age 75, passed May 27, 2021, at his home with his loving family by his side. He was born in Gloversville, NY on May 14, 1946. Mark was the son of the late Louise Perrone Albanese and the late Anthony Albanese. He attended and graduated from Gloversville High School with the class of 1964. Mark and his wife Lynn are the Owner/Operators of The Albanese Insurance Agency and State Street Auto, where they worked side by side for the past thirty years.

Mark was a very kind and generous soul. He was a devoted and loving husband to Lynn, his wife and best friend of fifty-five years, a strong and protective father to his sons, Mark (Michelle) and Aaron (Lori); a loving grandfather to Alexa, Aidan, Stacia, and Aria; a caring sibling to Edwina Bird, Martha Monlea and Chris Albanese; and a true and loyal friend to all those blessed to have known him. Naming them all would turn this obituary into a novel.

Mark was an avid reader and loved to learn. At the end of the day he just had a passion for life with an enthusiasm that was infectious. He could talk to anyone about virtually everything, and he did. The conversations were always captivating and always had a story to tell. He really enjoyed the company of the guys, whether hanging out at Stewarts, Sunday breakfast, or just one on one, he always looked forward to their get-togethers. Another one of his favorite pastimes was going for rides on the backroads. He would drive for hours for the simple pleasure of enjoying the scenery and the freedom of the open road. Mark loved his family, animals, his friends, and cars of the 50s and 60s. He was predeceased by his mother Louise Perrone Albanese and father Anthony Albanese.

“ Dear Lynn & Family  
I just stumbled across the obituary. I don't post much or often view other's pages on facebook, I don't know why but something said to view Lynn's page where I just saw this. We're so sorry to hear of Mark's passing. It's been decades since we last you but I often think about my time in Gloversville living on your 2nd floor. Mary & I share our condolences to you & your family.

“ I'm sorry to hear of Mark's passing. We were both born in May and graduated from GHS in 1964. I'm sure his fondness of 1950-1960 cars stems his family owning a 1959 Oldsmobile. My family owned a 1958 Pontiac. Those two cars were side by side going way over the speed limit more than once. I always enjoyed running into him and talking about old times. He was a great guy and my sincere condolences to his family.
