“ *My condolences to Mike's family. We met in High School in Dover and he always called me his high-school sweetheart. We lost touch for some time and recently reconnected and were talking all the time. He is such a great guy and I am blessed to be a part of his life. I am really going to miss talking to him, may he rest easy now and feel no more pain.*

“ I am so glad I got to live with him for the last 6 months and I helped take care of him. I will miss listening to your loud music from the other room when I was in school. I will miss hearing you up at 2 am getting ice and trying to get snacks. I will miss going to DG every week to get you 5 or more bags of mints. I will miss u trying to twerk and your little dances. It well break my heart not having you come in my room every night to say goodnight and kiss me. I hope you are up in heaven hanging out with grandma Judy and other loved ones that have passed before you . Make sure you look down on us. And don't PARTY to much!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! I LOVE YOU 💙💜 your one and only princess

37 years ago I was blessed with a grandson Michael. As a boy he was hell on wheels. But grew up to be the most loving young man. I was out to see him 3 weeks ago with his 2 uncles who he hadn't seen in years. We had a great visit but could see he wasn't doing well. His illness took a lot out of him. They say the Lord only gives us what He feels we can handle, God knows he had his share. There is no more pain Rest In Peace my loving Grandson you will always be in my heart ❤️
