“ Karen & Family
Words cannot express the sorrow that I'm feeling right now for you and your family. I feel so sad that I won't be able to attend the service, however I am in Italy until March 18. I visited one of the most famous Catholic Churches today and knelt down and prayed for you and your family to have the strength to get thru this. You're in my thoughts and prayers will be in touch when I get home.

“ *Dear Karen, Owen, Evan and Family,*

Our hearts are broken to hear of Mike's passing. A generous, kind, gentle man, loving husband & father is all we knew of him during our brief encounter in Punta Cana. We so enjoyed his humor and love for life, along with his infectious smile. There is no doubt that his untimely passing will leave an immeasurable void to all those he touched. Please know that we will keep Mike and all of you in our hearts and prayers. Please accept our deepest and most sincere condolences, and we hope that you may find strength in the love you share as a family and with your many friends.

“ Karen, Tom, and Mrs. Deuel,
To say the least, I was so saddened when I read of Mike's passing and cannot express how sorry I am.

Tom - I know how hard it is to lose two wonderful brothers and I will pray for your strength during this very sad time. Mike and I always wanted to hunt and fish like you did when we "grew up". To us you were larger than life!

Karen - I know how terrible it is to lose your spouse and best friend and there are no magic words that will help you right now. I hope you find some comfort knowing I am thinking of you and praying for you and your children. Please let me know if I can help in any way.

Mrs. Deuel - you are one of the kindest and sweetest people in the world and my heart breaks for you. I will pray for you and be thinking of you every single day. You watched us all grow up together in Broadalbin and I can still hear the whistle telling us it was time to come in from playing outside. Mike and I saw each other almost every day as kids- Fishing in the creek and Chalmers Pond, playing in the Mill, riding the beach bus, shoveling and playing in the snow, hunting, playing ball, and riding our bikes up and down the streets. My childhood is filled with great memories of Mike and whenever people ask me about growing up in Broadalbin I immediately think about riding my bike up Mill St and turning right on Middle St to get to your house! He will never be forgotten and always thought of in high regard.

With all my love,
Dan Maynard

*To Mike's family,
I'm so incredibly sorry for your loss. As a kid, I only lived in Broadalbin for 2 short years in middle school, but like Dan Maynard, I have very clear memories of Mike. We moved to Texas the summer before 8th grade, but I recall going to Pete's soda fountain and playing little league on the Broadalbin Weemen with Mike. Today is a very sad day indeed. I will pray for your comfort. And by chance if anyone speaks to his cousin Dave Deuel, please say hello to him for me. He was once my summer camp counselor at the Sacandaga Bible Camp back then.*
