“ *I hold in my heart so many wonderful memories of Millie. These memories are from quite a while back but still fresh. Family dinners on Wednesday nights, sitting around the picnic table at the lake with Ernie and her close friends, and just being around her was always a joy. For years we would exchange Christmas cards and although a small thing it was always so heartwarming. Her caring and loving ways were always her center. I believe heaven has a new angel. My sincere condolences to David, Shelley, Cheryl and the entire Baker family.*
