“ *Nick Sr. was a very friendly guy. We had plenty conversation's when he would come drop off/ pick up Nick Jr. from daycare. He never was in no hurry, always wanted to hear how his son's day went. He would always stay a little longer and play with our dog's while expressing his love for his "Bruno". He often asked for advice from one parent to another. Anyone who knew him, knew he loved his son unconditionally. He was a great dad and did his best. The last I spoke with him he invited my grandson up to his house for a sleep over with Nick. He was just that type of guy, always interested in making his son happy and always friendly. He certainly will be missed by many. May you Rest In Peace, Nick Sr.*

“ Carol, Frank and family,

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles.

I'd like to leave an echo whispering softly down the ways, of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun.

Love and condolences,

Paul and Laurie Lawton
