“ Nita and I shared a birthday 08/09. She was always like my big sister more than my cousin. I am greatly saddened by her passing. We had not talked in a couple years, but my love for her will was very special to me as she was.. I know how hard this must have hit her family. Her life revolved around them. She was a wonderful parent and grandparent. I know her husband of over 50 years was dedicated to her and cherished her. My deepest sympathy to her family, and extended to all her friends, and everyone who loved her.. Gods Blessings to all.
