“ Aunt Pattie, one of my favorite aunts. I have so many memories of us. I remember going on dates with you when you first met your husband Butch. You would make him lunch and you and I would go bring it to him daily and we would stay for the day helping him bail hay and help with other chores. I remember my family always going to the farm and my sisters and I, you and Edie going into living room playing music loud and dancing to the oldies. I have so many memories, to many to post that I will always cherish. I loved her so much and will miss her dearly. RIP aunt patty, you are no longer suffering and finally at peace. I love you with all my heart and soul, till we meet again love to

“ Dear Wyane Sr., Wyane Jr. Christine, and Lisa,

Paulo and I want to express our deepest condolences on the passing of your beloved mother, Patty. We are truly sorry for your loss. Losing a loved one of the hardest things to go through, especially someone that is so loving and caring as Patty our hearts are with you during this difficult time.

Patty was such a loved and cherished person, and it's clear how much she meant to all of you. You could see how happy she was to share that special mother-son dance with Wyane at his wedding to Christine. It was a beautiful moment that truly showed the bond they shared.

Please know that we are thinking of you and sending all our love and support.

With heartfelt sympathy and love,

Joann and Paulo Simoes

“ *Aunt Patty was always loving to us all. Growing up, my favorite memory was visiting the farm in Trumbull for an overnight stay over. Patty and I would have fun robbing my Grandma's freezer that held a goldmine of chocolate Oreo cookies. And because they were frozen they tasted even better. Patty always gave big hugs and kisses to express her love. I'm glad she continued the life she loved in farming and driving those big tractors. She surely left a hole in our lives now that she's gone. Thanks for the memories Aunt Patty. 💔*
