“ Coby, Rena, Aidan, Matthew and Sanna,,
Peter was and will be for me the best example of gentle
giant of a man. When Kathy died in August (yellow was her
favorite rose from me) you came to my door and Peter was
able to cry openly with me . He gave himself completely to
others in service, with kindness and patience, going far and above the call of duty.
I continue to miss him.
Hugs to you all. Shalom

“ I was very sorry to hear of Peter's passing. I didn't know him all that well but I
knew he was a good man and we were lucky to have the DeJong family as
neighbors. I'll never forget many winters ago putting my vehicle in the ditch and
asking Pete to use the phone, instead he hopped in the tractor and got it out for
me, I always appreciated that. My condolences to Mrs. DeJong, David, Mark and
the rest of your family.

“ So sad to hear of Peters passing. Our hearts go out to his family. Peter was always pleasant and with a smile and hand wave when he would pass by in the truck with his wife Rena . Used to see the family out walking the dogs as well. If you had a septic problem he would be there to help at anytime even holidays. He'll be greatly missed by all.
