“ Spent many many hours drinking twisteds, jammin out with guitar hero and rock band to the early hours of the morning to watching football on Sundays, or playing Madden, to getting my ass kicked in boxing, but I still swear it was the controller, to fires in the back yard to endless nights of cards, and to pulling your dumb ass on an unregistered snow machine with my truck back to your house before Beth found out, from chasing me with spiders to watching me weeble wobble down Florida ave at 3am and yelling later Bile! Later Ray!

My heart is broken! 💔 and I will forever remember the good times we've had. R.I.P Ray!
