“ We have lost a dear friend, and God has gained an angel. Bob led a meaningful life and taught us through his untimely passing that everything we have planned can change in an instant. We cannot believe that he is gone, and we want Gay, Chad, and the rest of the family to know that we grieve with you. The world is a better place because he was a part of it. He will be truly missed. Bob, rest easy, dear friend, until we meet again...”
