“ *Lonnie and Vanessa,
I am so so very sorry for your loss. Your mom was a funny, caring person, she would give the shirt off her back to someone in need. She was a very dear friend to me for many years, and was always there for me and my boys. We spent so much time together, worked together and hung out together all the time, even before she met your dad. We were pregnant at the same time too. As the years passed, and with time and distance faded in to days gone by, our friendship always remained. Know that your mom is no longer suffering or grieving for your dad, they are now together in heaven, along with those she loved that went home before her. Please know that you will one day meet again. Robin will be dearly missed here on Earth. Love you girls.

“ *My condolences to all of Robin's family and friends. I knew her through bingo at the Father Smith Center. She was such a nice person and also a friend of my Dad's. She can now see him again since he passed last May. Robin...please tell my dad hello and give him a big hug for me. It won't be the same at bingo without you. May you Rest In Peace. In my prayers, Mary Cardone*
