

Ronald G. Robinson

December 29, 1947 - April 21, 2025

BALDWINSVILLE -- It is with great sadness that we share the sudden passing of Ronald G. Robinson, 77, on April 21, 2025.

Ron, the son of the late Gerald and Jennie Robinson, was born Dec. 29, 1947, in Gloversville, and grew up in Johnstown. He graduated from Johnstown High School in 1966. A proud veteran, Ron entered the U.S. Army in 1967, serving until he was honorably discharged in 1970. In 1971, Ron began employment as an installer-repairman for GTE. He worked for the telephone company until his retirement in 2012.

Ron was an active member of the Johnstown community. He volunteered for the Friends of Johnson Hall, including founding the Johnson Jog 5K race which raised money for the Johnson Hall State Historic Site. He also volunteered as a Johnstown Little League coach, and in the Fulmont Roadrunners Club, for which he engaged in many activities.

Ron was a loving family member and friend to many. He was an avid train lover and model train enthusiast. Ron's passions included building new structures (especially sheds), golf, traveling the world, and volunteering to help anyone at any time with anything. His talents included playing guitar which he shared with the St. Anthony's community along with his vocals in the Joy Group for years, and anything to do with sports, notably running half marathons and noontime YMCA basketball.

Ron is survived by his wife of 42 years, Patricia Robinson, as well as his children, Roni Lynn Robinson of Los Angeles, Daniel Robinson (Michelle) of

Liverpool, and Ellen Robinson (Admir) of Switzerland. Ron is also survived by his granddaughters, Grace and Laura Robinson. Also surviving are his siblings Gail Robinson, Elaine Wormuth, and Alan Robinson.

“ I was blessed to call Ron my friend for nearly my entire life - from our days in kindergarten to standing beside me at my wedding. He was more than a friend; he was family. The memories we made together will stay with me forever, and his kindness, laughter, and spirit will always be a part of who I am. I Will Miss Him Deeply, but will carry his memory with love and gratitude always.

“ One of my best memories of Ron was when he showed up at our house dressed like Beetlejuice. Patty had done his makeup and he looked like he had just walked out of the movie. He played it so well. Every time I think of that day I laugh. He made all of us that knew him smile. Rest in peace my friend.

“ When Geocaching was becoming popular, my Mom and I went to my Uncle Ronnie's house to give it a go, as one was hidden somewhere in the Sir William Johnson park. I remember reading the coordinates over and over again, and my uncle would be shouting to me from across the field, "Mandy, what is it again? 38 north? 56 South?" And he'd literally take one step backward, studying the GPS on his phone. I guess you had to be there, but the 3 of us were laughing at our incompetence. That's how I'll always remember him- just down for fun and good times.
I feel so proud to have been his niece. ☐ Love & prayers to Aunt Patty & their kids. 🙏

“ We are all in shock with the sudden loss of Ron! I will cherish the wonderful memories of him....I tagged along with him to local train shows and he took me on train rides to North Creek and another one to Old Forge....so much fun..we went to casinos together and he talked me into climbing Vrooman's Nose in Middleburgh....I remember how patient he was with me while I grumbled all the way up! I will miss my brother like crazy <3

I was so saddened to hear of Ron's sudden passing. Although we didn't see much of each other in our adulthood I have many, many childhood memories. I do know as adults our paths would cross at family events and Ron's large smile and welcoming hug will remain in my memories of him .

My fond regards to my cousins and Ron's family.

“ *My brother was more than a brother to me. We shared many great times together and he taught me many skills in the electrical field and plumbing field for our homes. He had a heart of gold and loved doing projects for anyone who asked. He left this world unexpectedly and it has crushed us. There is a large hole in my life now. Love you Ron!* ❤️
