“ Tammie and family, I was so sad to hear that Shawn had passed. Even though I only saw him at the fair, my memories of him go back to our childhood and I will definitely miss him. We all appreciated how he always checked in on mom and dad over the years and the friendship you had with them. I know dad will miss his faithful phone call on Saturdays. Our prayers are with you all.

“ “I am still trying to accept this myself, and have no idea how to even put in to words the sorrow I feel for my sister. Saying I'm sorry is the only thing I have right now and I know that isn't much.
I am here if you need me, just know that you have a lot of people to lean on when your ready.
RIP Shawn, thank you for being my sisters best friend, husband and soul mate.
Your life was cut short, but hopefully the lives you touched while you where here are better for it.
