“ So many fond memories that go back to my childhood. I will never forget stopping in for a visit and listening to all the hunting reports from Uncle Junie while she made sure we had coffee and snacks. Our visits would be so fun with her having a planned get together so we could see everyone. As we grew older they would come to visit in Maine and we cherished our time together. She was like my second Mom and always made sure to keep in touch by an evening phone call to check in on our family. We loved each and every visit and call. Your memory will live in our hearts forever. Thinking of the entire family during this difficult time and sending love to you all.

“ Shirley was one of kindest, sweetest women I know.
She always had that beautiful smile and a twinkle in her eye.
Her family and loved ones were her world.
Condolences to her children and their families.
